I wish to register to participate in the A Plus Global Driving School Traffic Safety Education (TSE) program. I am willing to give the necessary time and effort in order to fulfill the requirements of this approved course as prescribed by Washington State DOL. I understand that I will receive 30 hours of classroom instruction, 6 hours of behind-the-wheel (BTW) instruction, and approximately 3 hours of BTW observation during the course.

The course fee is **\$400.00**. Two installments of **\$200.00** each may be made, one at enrollment, and the other at the midpoint of the course. Payment of the first installment is necessary to preserve my seat in the class. Please make checks payable to "A Plus Global Driving School." I understand that the fee is refundable only if I withdraw in writing within five (5) days of the first class session. If I transfer to another school having attended less than 50 percent of the class sessions in the A Plus Global Driving School TSE program, a prorated refund is available after I supply proof of enrollment in another driving school TSE program. Refunds will NOT be granted for "dropping" the class after the initial 3 days, or for suspension, expulsion, or failing the class for any reason.

I understand that I must show the instructor my Instruction Permit at every behind-the-wheel (BTW) lesson. To cancel a pre-arranged drive lesson, I must notify the instructor at least one day in advance. If I do not bring my driving permit, do not bring my required glasses/ contacts, do not appear for a drive, or do not notify the instructor of cancellation in a timely fashion, I will pay a \$25.00 no-show fee before the next drive. Students requiring additional driving lessons beyond 6 hours will need to pay \$ 40.00 fee for each additional lesson.

I understand that outside driving practice is a necessary component to proceed satisfactorily through the course. **To provide guidance and tools to meet this requirement, the first class will be an evening meeting at which the student must attend.**
